THE MISS AUSTRALIA QUEST — A CHANCE OF A LIFETIME

The Miss Australia Quest — no doubt you've heard so much about it, on television, in the papers, and perhaps even from friends who've participated. But what is the Quest really about? And what will you experience throughout the time of your involvement?

You could set yourself on a course for immense personal fulfilment... and perhaps, even the Miss Australia Crown! The Miss Australia Quest is much more than a beauty quest. It is a nationally recognised and highly respected Quest in which hundreds of young Australians have participated over the years, winning great personal satisfaction, as well as fabulous prizes.

The Miss Australia Quest is the major fundraising vehicle to provide a wide range of specialised services for children and adults in Western Australia with Celebral Palsy.

Cerebral Palsy is the medical term used to describe a group of disorders affecting movement and posture of which spacticity is the most common.

The Miss Australia Quest gives you the chance to do something fantastic for yourself, and at the same time, to do something for Australians who are disabled. Along the way you'll meet interesting people, make new friends, go places, dress up, develop new skills and enjoy yourself.

JOIN US NOW. THIS IS THE CHANCE OF A LIFETIME!

For further details on joining the Quest please phone Marlene Caldwell at the Miss Australia Quest office on Telephone 443 0277 NOW!

Past History of the "Beverley"

The first Beverley to Perth race was held in 1897, and attracted a field of 14 riders. The race finished in front of Government House, and the Governor [Sir Gerald Smith] acted as judge. After the race he entertained all the riders who finished. The winner was J.W. Beck a Goldfields representative, who started off with a handicap of 45 minutes and won by that time from the second rider, crossing the finish line before a crowd numbering several thousand.

The slowest race was in 1905, when C. Howard starting off 21 minutes, won in 8 hours 50 minutes 30 seconds. The riders on this occasion often had to plough through water up to their knees, and for the whole of the journey they went through a nightmare experience.

For many years the record for the race, by a rider using a fixed wheel, was held by A. Kaiser [5hrs 58mins 33secs]. but in the 1929 event A.E. [Andy] Joss, the only fixed wheel competitor in the race, lowered that time to 5hrs 24mins 26secs. He rode on an 84 inch gear, and his performance was regarded as a remarkable one.

Typical Crowd at a Beverley Finish.

Marshall, who finished second, and others.
